

1434 BLUE HERON POINT DEERCREEK PLANTATION

Come and enjoy yourself on the front porch or rear screened-in porch when you are not playing golf or fishing or daytripping. Low maintenance patio home with sprinkler system and lawn care service. 1584 square feet with three bedrooms and two full baths. The oversized garage will easily hold two cars and your golf cart. The separate dining room has tile floors as well as the kitchen and baths. There is ample room in the great room with adjoining screened-in porch for entertaining. The master has his and her closets and a wonderful soaking tub with a separate shower. The Community Center offers swimming and a wonderful gathering area for social functions. Golf memberships at the two golf clubs are very affordable. Don't miss this one!
